

With A Ouija Board They May Speak All Day

Poem

-by Brian Edwards

With A Ouija Board They May Speak All Day

If you seek them with a Ouija Board

They may speak

All day and night

It's best not to speak

For you could hear

For every year

And hear

Every hour

Don't seek

To speak

Don't take up

The Ouija Board

Just go about you life

And savor

Every quiet moment
